'All by myself'

I could cook rice when I was six years old.

When I was eight years old, I could sweep the floor by myself.

I could do my homework when I was four years old.

When I was three, I could not fly in the sky. Can you fly in the sky now? 😊

I could not drive a car when I was five.

When I was two years old, I could not swim with sharks.

When Danica was four, she could cook rice and get dressed by herself.

Jessie could comb her hair when she was five years old. When Jessie was six years old, she could draw and write. Jessie could swim with sharks when she was four. So brave! 😊
