My unusual recipe!

hamburger ♡

First, I bake the bread. Then I cut the tomatoes, carrots, mushroom and
vegetables. Then I put the above ingredients between the slices of bread.
Also, I fry the chicken wings and put them into the hamburger. Then I
put the hamburger into the microwave oven and wait for 3 minutes.
Finally, I take the hamburger out from the microwave oven and
eat. Yummy! ♡ 😊

Great recipe and
use of cooking verbs! 😊

Your chicken wings hamburger
sounds and looks really delicious! 😊
