'Recipe'

'Pizza'

First, put a pan on low heat. Add oil. Roll out the dough flat and put in pan. Next, cook for 3-4 minutes. After that, turn over and cook for 1 minute. Then, put on tomato paste. Next, put on toppings and cheese. Finally, turn off heat and leave in pan with lid on to melt the cheese.

Good recipe! 😊

I hope you can now
make it yourself at home!

😊
