Good Table Manners

Lisa and her parents went to a restaurant last night. Lisa sat down and looked at the menu. “Lisa, you have to put the napkin on your lap after you sit down.” Lisa’s dad said. Lisa and her parents were looking at the menu. “May we have a plate of spaghetti, a bowl of tomato soup and two bowls of fried rice, please?” Lisa’s mom said to the waiter, “Sure, its \$430 altogether.” the waiter said.

10 minutes later,

“Here you are” said the waiter. “Wow! It looks delicious!” Lisa was mouth-watering while she was talking. Lisa picked up a fork and started to eat the spaghetti. “Wait! Lisa’s mom said. “You have to wait until all the dishes are ready. This is a good table manner because it shows you respect to others.” “Sorry, I’ll pay attention. Next time, I’ll wait the dishes are all ready then I’ll eat.” said Lisa.
