Dear Uncle Louis,

How are you?

I am happy to hear from you. Tai O trip was wonderful! I can see the whole beautiful city.

Next week, we will meet at Central Station at 9 o'clock. It will be hot, so we need to bring more water. At half past nine, we will take the Peak Tram! I believe you will enjoy the beautiful view when you take the tram. At ten o'clock, we will go hiking, you might be very tired after walking, so we will go to have dim sum. I will bring a lot of cookies too. At half past two, we'll leave The Peak and we will arrive back at three o'clock.

I hope you'll like this travel.

Love,

Carl
