English Week

Today is the best day ever! We had a fun Book-o-ween performance in the hall. We lost, but we enjoyed it a lot. Our class teacher promised us some pizza for the pizza party. The principal gave us some ice cream for our performance. Our performance was about *One Piece*, and my character is called Zoro. I got a big sword for it. In the performance, we sang, danced, and acted. English Week was held for five days, and we played a lot of games and won many prizes. We also got to collect stickers from our English teachers. English Week was an amazing time for me.
